

Lenovo 65W USB-C Wall Adapter

Experience the ultimate charging convenience

Elevate your charging experience to new heights with Lenovo 65W USB-C Wall Adapter. With its sleek design and advanced charging technology, it is the perfect companion for home, office or travel. It ensures lightning-fast power to all your USB-C devices, while its adjustable output voltages (5V/9V/15V/20) have you covered no matter what device needs to be charged.

Refueling made easier

The extra-long 1.7 m (5.9 ft) cable lets you charge in any spot, making charging more convenient no matter where you choose to refuel.

Universal compatibility

With its USB-C interface, it seamlessly works with a range of devices, including laptops, tablets, smartphones, and more.

Unleash the power

With PD 3.0, this adapter delivers the optimal charging speed, saving you valuable time and keeping you connected throughout the day.
